

## Demonstration of Proposed Features

|                      |                   |
|----------------------|-------------------|
| <b>Date</b>          | 30 SEPTEMBER 2026 |
| <b>Team ID</b>       | SWTID-2026-1418   |
| <b>Project Name</b>  | FIT BUDDY AI      |
| <b>Maximum Marks</b> | 1 Mark            |

### Demonstration of Proposed Features:

This document captures all the features that were proposed during the project planning phase and tracks whether each feature was successfully implemented and demonstrated. It serves as evidence of the team's ability to deliver on the proposed solution.

| S.No | Feature Name              | Description                                                               | Status (Implemented / Partial / Pending) | Demonstrated (Yes / No) | Remarks                                 |
|------|---------------------------|---------------------------------------------------------------------------|------------------------------------------|-------------------------|-----------------------------------------|
| 1    | User Registration & Login | Allows users to create an account and securely log in to Fit Buddy.       | Implemented                              | Yes                     | User authentication tested successfully |
| 2    | Fitness Dashboard         | Displays the user's fitness activities, goals, and progress in one place. | Implemented                              | Yes                     | Dashboard works as expected             |
| 3    | Workout Tracking          | Helps users track daily workouts, exercises, duration, and progress.      | Implemented                              | Yes                     | Workout data can be recorded and viewed |
| 4    | Diet & Nutrition Tracking | Allows users to monitor meals, calorie intake, and healthy eating habits. | Implemented                              | Yes                     | Nutrition tracking demonstrated         |
| 5    | Fitness Goals & Progress  | Enables users to set fitness goals and monitor their achievements         | Implemented                              | Yes                     | Progress is displayed clearly           |
| 6    | Reminders & Notifications | Provides reminders for workouts, meals, and daily fitness activities.     | Partial                                  | Yes                     | Basic reminders implemented             |

### Feature Implementation Summary:

|                                 |        |
|---------------------------------|--------|
| <b>Total Features Proposed</b>  | 6      |
| Total Features Implemented      | 5      |
| Total Features Demonstrated     | 6      |
| Overall Implementation Rate (%) | 83.33% |
